KENAI RIVER CLASSIC (KRC)

August 17—19, 2016

If you attend this Sanctioned Charitable Event and receive \$250 or more in travel/hospitality/gifts associated with the KRC, you need to file a disclosure. Please use the Sanctioned Charitable Event disclosure form rather than the Gift of Travel/Hospitality form.

If you become a member on a board of an organization you must file a disclosure within 30 days of the beginning of your service. This applies even during the interim!

Travel/Hospitality Disclosures

A little more description, please!

When entering the purpose of travel and/or hospitality, please provide a description of topics discussed, forums attended, or other pertinent agenda items. Simply entering “Annual Summit,” for example, does not provide enough information for the public. Spelling out acronyms such as NCSL is also helpful.

Thank you!
